

Working with Supporters

A FREE online workshop on working with older people, their families and carers

Join Carers NSW for a free 45-minute workshop designed to empower aged care staff and volunteers to deliver quality, person-centred care in partnership with older people, their families and carers.

This course will guide you through:

- Understand the vital role families and carers (supporters) play in person-centred care
- Navigate key Aged Care Quality Standards to enhance carer inclusive practices
- Apply practical strategies and access resources to implement carer inclusive care in your organisation

Don't miss this opportunity to strengthen your skills, improve outcomes for your clients & their support networks.

When: Wednesday 21st October 2026, 2:00pm to 2:45am AEDT

Facilitator: Wendy Hill, Carers NSW

Cost: FREE for CHSP and other aged care staff and volunteers
